THE THEODOROS GROUP NAMED BY SIA BEST STAFFING FIRMS TO WORK FOR

Houston, Texas – The Theodoros Group (TTG) is proud to announce that it has been named one of the **Best Staffing Firms to Work For** by Staffing Industry Analysts as part of the prestigious SIA Best Staffing Firms to Work For program.

The Best Staffing Firms to Work For program recognizes staffing companies that demonstrate outstanding employee engagement, strong leadership, positive workplace culture, and a commitment to employee success. Winners are selected based on confidential employee surveys measuring key areas such as teamwork, trust in leadership, communication, training, benefits, and overall job satisfaction.

“This recognition is incredibly meaningful to us because it reflects the experience of our own team,” said Anthony Theodoros, Founder and CEO of The Theodoros Group. “From the beginning, we set out to build a company where people feel supported, valued, and excited about the work they do. Our culture has always been centered around relationships, teamwork, and doing the right thing for our clients, candidates, and each other. Being named a Best Staffing Firm to Work For is an honor for our entire team.”

Since its founding, The Theodoros Group has focused on building a people-first culture while providing HR consulting, direct hire recruiting, and temporary staffing services to businesses across multiple industries. The company’s growth has been driven by its commitment to relationships, responsiveness, and long-term partnerships with both clients and candidates.

Being named a Best Staffing Firm to Work For places The Theodoros Group among top staffing firms across the country recognized for creating exceptional workplace environments and strong internal cultures.
